Dear Hebron Resident/Taxpayer:

As of March 31, 2011 the Town of Hebron will no longer be using the Hebron Bridgewater Refuse Facility. If you haven't already signed up for either the Bristol Transfer Station or Bestway Curbside pick-up, please call the Hebron Town Office @ 744-2631 (M-F 8:30 -12). You may sign up for both options for your convenience. Stickers are required to use the Bristol Transfer Station and may also be picked up at the Hebron Town Office.

Many of you should have already received the 18 gallon recycling container. These containers were delivered to residences on Saturday March 19, 2011. If you did not receive the green 18 gallon recycling container, you may pick one up at the Selectmen's Office or call the office to request one to be delivered with the large toter.

The larger 64 gallon toters have been ordered and will be delivered to residences once they arrive. If you do not receive the 64 gallon container before Monday (April 4, 2011), you may place your trash in bags at the edge of the street along with the 18 gallon recycling container for pick-up by Bestway.

Remember, the first day of curbside pick-up will be Monday April 4, 2011. Bestway is requesting all trash and recycling containers be placed at the edge of the street by 7:00 AM. The first day Hebron residents may use the Bristol Transfer Station is Monday April 4, 2011.

Please see the back of this letter for additional information regarding use of the Bristol Transfer Station and curbside pick-up by Bestway.

We appreciate your patience during the transition!
