**Minutes of Community-wide Meeting**

**June 21, 2010**

**Members Present:** Ellie Lonske (chair), Roger Larochelle (vice chair), John Dunklee (Selectmen's representative), David Wall, Martha Twombly (alternate), Joe Hogan (alternate), Arthur Cummings (alternate), Curtis Mooney (Selectmen's alternate)

**Time Convened:** 7:05 PM   **Time Adjourned:** 8:05 PM

**Next Public Hearing:** July 7, 2010

**Summary of Meeting:**

Ellie Lonske opened the meeting by explaining the background of the 2005 Hebron Master Plan Vision Statement and Summary of Recommendations, and challenged those present to answer the question "Where are we going?" by participating in working groups whose task will be to update the 2005 Master Plan Vision Statement. The updated Vision Statement will be used by the Planning Board in formulating a list of Recommendations that will be used as a roadmap for the Town of Hebron for the next five years.

Members of the Planning Board reported out on each of the 2005 Master Plan recommendations, and discussed what had been accomplished, what had not been accomplished (and why), and what we may or may not still want to accomplish.

The next step is for Vision Statement working groups to meet over the summer and then submit their updated vision statement to the Planning Board by Labor Day.

The meeting was well attended by over fifty members of the Hebron community.

Respectfully submitted,

SUSAN W. JACKSON  
Secretary of the Hebron Planning Board (Pro Tem)
