Hebron Historic District Commission
Meeting Minutes
March 22, 2016

Board members Present: John Black, David Brittelli, Trip Swartz, Alan Barnard, Eleanor Lonske (Select Board Representative)

Board Members Absent: None

Others present: HHC member Ron Collins and alternate Ray Norton.

Time Convened: 6:07 PM Time Adjourned: 6:23 PM Next Meeting: Ad hoc

Agenda:

1. Organizational Meeting to elect Officers
2. Any other business that may come before the Board

Eleanor Lonske, Select Board representative, called the meeting to order at 6:07 PM. She explained the issues around the HHC and HDC combination. The HHC will still exist, but will have no responsibilities. She suggested that current HHC members submit resignation from the HHC to Karen Corliss, and apply, also via Karen, to the SB to become HDC members. Discussion ensued.

Alan Barnard moved to have legal counsel's opinion in regards to eliminating the HHC, with a history of what transpired in the recent legal opinions leading up to the Town Meeting warrant article as well. The motion was seconded and passed.

Further action on the election of officers and makeup of the HDC were deferred, pending the input from counsel's advice. Meanwhile, it was planned to appoint one more member (in consideration of Trip Schwartz's term having expired in 2016) and up to three alternates at the April 7 SB meeting.

There being no other business, John Black moved that the meeting be adjourned, seconded by David Brittelli, and, the motion having passed unanimously, the meeting was adjourned at 6:34.
