

TOWN OF HEBRON

SUPERVISORS OF THE CHECKLIST MEETING MINUTES

Thursday - March 12, 2015 - 10:30 Hours

The three Supervisor's met today at 10:30 a.m. on the second floor of the Selectmen's Office Bldg. to review the election statistics, affirm that our six new election day voter registrants had been properly placed on the checklist and submit reports to the state from Tuesday, March 10th Town Elections.

There were 211 votes cast on Town Meeting Day (twenty-nine (29) of them being by absentee ballot).

There are currently 427 registered voters in Hebron. They are divided as follows:

REPUBLICANS - 176, UNDECLARED - 207, DEMOCRATS - 44

A copy of the up-to-date checklist is posted outside the Town Clerk's Office in the glass case.

We discussed at length the process we used for casting ballots during Town Meeting because we felt the way it was done this year was confusing and congested. It was decided that at our next Town Meeting we will split our tables to different locations so it would be evident to the voters which direction their respective table is located, and that each line will have the room to flow freely in both directions. Our intent is to speed up the ballot process for voters during Town Meeting.

Looking forward to next year we discussed making a concerted effort to update the checklist prior to our next elections. Our next meeting for this purpose will be April 7, 2015 at 9:30 a.m. upstairs in the Selectmen's Office. **We are requesting your help!** If you have a family member or friend that you know or think has moved from Hebron, is residing in another state or has passed away, please give a call, drop a note or stop by the Town Clerks Office during office hours and ask Tracy to add that name to the list of Checklist persons the Supervisors will try to contact to verify their status. Thanking you in advance for your assistance with this endeavor.

These are true and accurate minutes of the meeting of the Supervisors of the Checklist. The meeting adjourned at 1200 hrs.

Respectfully submitted,

Audrey Johnson, Supervisor
