SUPERVISOR OF THE HEBRON CHECKLIST

Tuesday, January 24, 2017 – 7:00 hrs.

The three Supervisors met upstairs in the Selectmen's Office to make additions, corrections, and add new voters to the checklist in preparation for the upcoming Town Election to be held on Tuesday, March 14, 2017 between 11:00 a.m. and 7:00 p.m. at the Community Center (basement of the church). Tuesday's voting will be followed by a gathering of Hebron Residents on Sat., March 18th at 1:00 p.m. for Town Meeting at the Fire Station.

NEW BUSINESS: There were three new voter registrations, twelve voters who were removed due to changing their residence and one party affiliation change. Ten removals were a result of 30 Day Letters we had sent that were not responded to and two were notices from current voters indicating they had moved and wanted to be removed.

The Supervisors will be present for the Newfound District School Meeting on Sat., Feb. 4, 2017 beginning at 10:00 a.m. at Newfound High School. We hope to see you all there.

UPDATES: Our next session will be on Saturday, March 4, 2017 from 11:00 to 11:30 a.m. upstairs in the Selectmen's Office. This meeting will be your last opportunity to register or make corrections to the checklist before Town Elections on Tues., March 14th.

All Checklist business can also be executed at the Town Clerks Office during regular business hours:

Today's checklist numbers are as follows: **Total Voters on the Checklist 479**

200 Republicans – 58 Democrats – 221 Undeclared

An up-to-date Alpha checklist will be posted outside the Town Clerk's Office in the glass case and in the orange binder at the Town Office. Notices with voting details will be posted outside the Town Clerk's Office, outside and inside the Town Office and at the Post Office.

The Alpha Checklist posted outside the Town Clerk's Office in the glass case is for your convenience. Please do not remove it from the premises. Checklists are available for purchase from either the Town Clerk or the Selectmen's Office. The meeting was adjourned at 2030 hrs.
