HEBRON ACADEMY COMMITTEE MEETING MINUTES  
NOVEMBER 29, 2016

PRESENT: Roger Larochelle, Paul Hazelton, Martha Twombly, Ivan Quinchia, Mark Coulson, Patrick Moriarty, Ellie Lonske

ABSENT: Trip Swartz

Meeting convened at 7:00 P.M.

Chair Roger Larochelle called the meeting to order.

- The Committee voted to approve the minutes of the October 25, 2016 meeting.
- Ellie Lonske updated the Committee on the LCHIP grant proposal: not funded.
- Patrick Moriarty asked for a vote on how to pay C.P. Williams, Architects for work that the Committee had asked Norman Larson to do that went beyond the scope of the preliminary design approved at Town Meeting. The unanimous vote was that it should be charged to the "Government Building Repair" Capital Fund, with the monies paid back to that fund if/when the Hebron Academy project is approved.
- Patrick Moriarty gave the Committee a brief update on legal matters.
- Roger Larochelle and Martha Twombly asked for input on private fundraising.
- Patrick Moriarty will speak with Jonathan Gould about financing the project.
- Ellie Lonske will ask Norman Larson for a "not-to-exceed" project cost estimate and for foam-mounted design plans without the west gable.

Next meeting: December 20, 2016

The meeting was adjourned at 8:38 p.m.

Respectfully submitted,

Ellie Lonske
