Old Business:

Beach clean-up day is May 15, 2019 from 9:00 AM to Noon. A sign will be posted on Lake Street and notice will be placed in the newsletter.

Apparently with the high waters in the river this winter, there are a lot of leaves that have drifted into the water at the beach, several feet into the lake. This will be something that the clean up day will not be able to handle. Alan Baker move to contact the select board to see what they want to do about the leaf problem in the water. The motion was seconded by Stan Newton and the vote passed with all in favor.

There was some discussion that the beach attendant didn't need to start before 9:00 AM. Ed Holbert made a motion to have the beach attendant start at 9:00 making sure that she didn't work over 40 hours per week. The motion was seconded by Jim Whiteaker and all voted in the affirmative.

There was a request from Alison York that the attendants pay be rounded to the nearest quarter hour. Edward Holbert moved and Cindy Newton seconded. The motion passed.

The new signs are ready to be installed and will be but up during the clean-up weekend. They are located in the old firehouse. There is one sign that will be posted by Gray Rocks to keep the boaters and other people that park there and walk on to the town beach.

The erosion problems continue and need to be addressed by DES.
