The meeting was called to order by Co-Chair Ron Collins at 7:00 p.m

**Minutes:** Ellie Lonske made a motion to approve the minutes of the November 28, 2017 as presented. This was seconded by Paul Hazelton and motion passed unanimously.

**New Business:**

Bill & Alison York presented their plan to put up a black chain link fence in their backyard for the purpose of keeping their dog contained on their property. The fence will not be seen from the front of the property. The exterior façade of the building would not be changed, the change would not have a noise impact to the area and the design of the fence would be black and would not show from the road. A motion was made by Ellie Lonske to accept the application for the fence and the motion was seconded by Ron Collins. The motion passed unanimously.

As there was no further business a motion was made by Ellie Lonske and seconded by Paul Hazelton to adjourn the meeting at 7:10 p.m. The motion passed unanimously.

Respectfully Submitted:

Carol A. Bears, Secretary
