Time Convened: 7:00 PM **Time Adjourned:** 7:10 PM

John Dunklee called the meeting to order at 7:00 PM.

The minutes of the September 13, 2021 meeting were reviewed. Chris Laux moved to approve the minutes and Anne Bryan seconded the motion. The vote was in the affirmative with those present voting in favor.

The meeting for December will be canceled as John Dunklee will be away. If an application is submitted in time for the December meeting, then it will be scheduled at that time and the new Vice Chairman will chair the meeting.

A motion was made by John Dunklee and seconded Chris Laux to make Curtis Mooney Vice Chairman. The vote was in the affirmative with everyone present voting in favor. Congratulations Curtis.

Mark Braley said that all the Lilac's have been planted around the generator. The Forsythia Bushes on the neighbor's property were moved into a sunny spot on their property with they will grow better. He also said that he planted three Rhododendrons in place where the Forsythia Bush was planted.

John Dunklee thanked Mark for all the work he did to get this done and the plants should fill in nicely on the lot.

As there was no further business to discuss, Chris Laux made a motion to adjourn and seconded by Mark Braley. The vote was in the affirmative with everyone voting in favor. The meeting ended at 7:10 PM.

Respectfully Submitted:

Carol A. Bears, Secretary
