This meeting was a working session only to work on the regulations for Solar Arrays. Ivan reviewed the information that was discussed on January 6, 2021 to ensure that the information looked good and any questions addressed. Ivan talked about battery storage units so he added information on that and battery disposal

Ivan went back to where we left of at the January 6, 2021 meeting in the NHSEA Model Solar Zoning Ordinance guidance that that we were using to work on the Town's regulations. We finished up the rest of the document and now Ivan will update his document and get it ready for the February 3, 2021 meeting.

The meeting ended at 8:05 p.m.

Respectfully Submitted:

Carol A. Bears, Secretary
