

TOWN OF HEBRON
Select Board Meeting Minutes
March 9, 2021

Present: Paul Hazelton, Patrick Moriarty, Richard James, and Karen Sanborn, Town Administrator

1:00 P.M. **2021/2022 BUDGET AND WARRANT ARTICLES:** The Select Board reviewed the proposed 2021/2022 Budget and warrant articles. The budget figures were adjusted based on the department/committee/commission/board presentations to the Board. The Board reviewed the proposed warrant articles and removed the \$100.00 to the Dry Hydrant Capital Reserve Fund as the Board felt there was enough in the fund to maintain the current dry hydrants in town. At this time there are no new dry hydrants proposed to be installed.

Vice-Chair Moriarty noted setting up a trust fund for abandoning and decommissioning of solar panels and ancillary equipment event mitigation is needed on improperly disposed components. A discussion was held about setting this fund up before the warrant article to add a Solar Ordinance to the zoning ordinance had been voted in by the voters. The Board asked Ms. Sanborn to check with town counsel the best way to address this situation.

The Select Board signed the **Professional Services Agreement Renewal** with Municipal Resources, Inc.

2:30 P.M. **MEETING ADJOURNED:** Selectman James moved to adjourn the meeting at 2:30 p.m., seconded by Vice-Chair Moriarty. The vote was unanimous.

Respectfully submitted,

Karen Sanborn
Town Administrator
